Kundapura, Udupi, Karnataka | Open to Bangalore Opportunities

PROFESSIONAL SUMMARY

Highly motivated MCA student with strong foundational knowledge in software development, programming, and web technologies. Skilled in Python, Java, SQL, HTML, CSS, and React with hands-on experience through academic and machine learning projects. Passionate about problem-solving, learning new technologies, and building scalable applications. Seeking an entry-level Software Developer role to apply technical skills and grow in a dynamic IT environment.

TECHNICAL SKILLS

Programming Languages: Python, Java, C

Web Technologies: HTML, CSS, React

Database: SQL

Core Concepts : Data Structures, OOPs, Networking Basics

Tools & Platforms: Git, VS Code, Jupyter Notebook

Soft Skills: Problem Solving, Teamwork, Communication, Quick Learning

EDUCATION

- **Master of Computer Applications (MCA)**
 - REVA University, Bangalore | Pursuing
- **Bachelor of Computer Applications (BCA)**
 - Government First Grade College & Centre for PG Studies, Udupi | 2024
 - Percentage: 88.83%
- **Pre-University (PU)**
 - Government PU College, Kundapura | 2021
 - Percentage: 92.33%

PROJECTS

Sleep Disorder Prediction using Machine Learning / Python, Machine Learning

- Developed a machine learning model to predict sleep disorders using health and lifestyle datasets
- Performed data preprocessing, feature selection, and model training for better prediction accuracy.
- Applied classification algorithms and analyzed patterns using Python libraries.
- Visualized insights and model performance to improve result interpretation.

Password Manager Application / Python

- Built a Python-based password manager application for secure password storage and retrieval.
- Implemented file handling concepts for managing user credentials efficiently.
- Strengthened understanding of Python programming, security basics, and application logic.

CERTIFICATIONS & WORKSHOPS

- Microsoft Certified: Azure AI Fundamentals (AI-900) – Microsoft (2026)
- Code to Cloud: DevOps & Deployment Power Bootcamp – MeVi Technologies LLP (2025)
- Hands-on exposure to cloud deployment workflows and DevOps fundamentals

STRENGTHS

- Strong analytical and problem-solving skills
- Quick learner with adaptability to new technologies
- Good communication and collaboration skills
- Passionate about continuous
